declare that the SDoC is issued under our sole responsibility and belongs to the following product:

Apparatus Model/Product:	ERA 500 Hybrid IP
Type:	Stage luminaire

Object of the declaration:

The Martin ERA 500 Hybrid IP is a super versatile, high performance, full featured, outdoor IP65-rated moving head work horse fixture that combines a beam, spot, and wash in a single fixture. It features high output, 1:20 zoom range, CMY color mixing, overlaying prism effects, and a compact design.

The object of the declaration described above is in conformity with the relevant standards:

These products have been tested by EST and complied with FCC Part 15, Subpart B standard limits.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,

And (2) this device must accept any interference received, including Interference that may cause undesirable operation.
