declare that the SDoC is issued under our sole responsibility and belongs to the following product:

Apparatus Model/Product:	<i>Martin Companion Cable</i>
Type:	<i>Stage luminaire auxiliary</i>

Object of the declaration:

Martin Companion Cable is essentially a simple USB to XLR 5pin cable. It is composed of a molded USB Type A plug, flexible cable and a Female 5pin XLR connector. The center of the cable has a small molded housing that contains the actual electronics.

The object of the declaration described above is in conformity with the relevant standards:

This product has been tested by SGS and complied with FCC Part 15, Subpart B and ANSI C63.4-2014 standard limits.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,*
- And (2) this device must accept any interference received, including Interference that may cause undesirable operation.*
