

Technical information

CN7

A unique, full-range near-field speaker combining hi-fi properties with medium SPL's in an ultra compact design. Featuring 18 flying points - four of which are fully adjustable - and a customized U-bracket included as standard with every speaker, the C-Range is an extremely versatile installation speaker series. The distinct new CN7 in the C-Range speaker series from MACH powerfully projects every nuance of pure sound in any environment you choose.

- Unique, full range near-field speaker combining hi-fi properties with medium SPL's in an ultra-compact design
- A 2-way speaker designed as a compact standalone cabinet with a wide dispersion pattern
- One 8" woofer with extended frequency response and 1" soft dome tweeter
- Designed specifically for applications in which clarity and speech intelligibility is needed
- Ideal for smaller venues (bars, cafés, etc.) or as in-fill in seating areas. Can be used as a standalone solution or in combination with a subwoofer
