declare that the SDoC is issued under our sole responsibility and belongs to the following product:

Apparatus Model/Product:	ERA 800 Profile
Type:	Stage luminaire

Object of the declaration:

Designed to fulfill the demand for an ultra-bright, compact, tour-worthy moving head, the Martin ERA 800 Profile combines a feature-loaded, rugged, yet cost-efficient profile for entertainment and rental applications. It has an additional rotating gobo wheel with seven rotating gobos.

The object of the declaration described above is in conformity with the relevant standards:

These products have been tested by ITS and complied with FCC Part 15, Subpart B standard limits.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,

And (2) this device must accept any interference received, including Interference that may cause undesirable operation.
